The Declarant shall have the right to use nominal amounts of the Association utilities, such as water, electricity and etc., as is reasonably required for the construction and maintenance of the Units and Property. The Association shall not be required to obtain or pay for any additional service such as temporary power poles, etc.

Section 12.3 Declarant Assignment. The Declarant reserves the right to assign the Declarant's rights in full or in part, or in addition here to, to any additional or replacement declarant, or to any Builder that is constructing a Unit on the Property or any other person or entity.

Section 12.4 Right to Appoint. The Declarant shall have the right to appoint or remove any officer of the Association or any Member of the Board during the period of Declarant control as permitted under the Act.

Section 12.5 Reservation to Convert or Withdraw Real Estate. Declarant reserves an option until the seventh (7th) anniversary of the recording of this Declaration, to convert or withdraw all or any portion of the Convertible Real Estate, Withdrawable Real Estate, Units, Common Property, or any combination thereof from time to time in compliance with the Act without the consent of any Owner or holder of a mortgage. Declarant reserves the right to convert or withdraw any or all portions of the Convertible or Withdrawable Real Estate at any time, without limitation and without any requirement that any other real estate be converted or withdrawn.

Section 12.6 Assurances. If the Convertible Real Estate is converted, the Buildings on the Convertible Real Estate will be located approximately as shown on the Plats and Plans. The maximum number of Units that may be created within the Convertible Real Estate is 260. If converted, the Convertible Real Estate will only be used for residential purposes. Declarant reserves the right to designate Common Property in the Convertible Real Estate and to make improvements. If Units are created in the Convertible Real Estate, each Owner shall be a member of the Association, each new Owner shall have one vote in the Association and each Owner shall have equal Common Expense Liability with all other Owners. All restrictions in this Declaration shall apply to Units created in the Convertible Real Estate. No assurance is given as to size, style, materials or quality of construction for Units on the Convertible Real Estate.

**ARTICLE XIII:
ADDITIONAL EASEMENTS:**

Section 13.1 Unit Owner General Easement Each Unit owner hereby holds a non-exclusive easement over all of the Common Property for his use and enjoyment of the Common Property, subject only to temporary restrictions that may be placed by the Association for failure to pay assessments or failure to abide by the Associations Rules.

Section 13.2 Declarant General Easement. Declarant reserves an easement on, over, and under the Property as may be reasonably necessary for the purpose of completing the development or exercising Special Declarant Rights including easements in the converted or withdrawn real estate.

Section 13.3 Utility and Parking Easements. The Units and Common Property shall be, and are hereby, made subject to a blanket easement in favor of the Association, the Declarant, other Unit Owners, appropriate utility and service companies and governmental agencies or authorities for such utility and service lines, equipment and common parking areas as may be necessary or desirable to serve any portion of the Property. Any facility shall be located so as not to materially interfere with the use or occupancy of any dwelling.

Section 13.4 Right of Entry for Project Maintenance. The Association has a right of entry on any Unit to perform emergency repairs or to do other work necessary for the maintenance of the Planned Community. In addition, the Association has the right to grant permits, licenses, and easements over the Common Property for utilities, roads, and other purposes necessary for the proper operation of the Planned Community.

Section 13.5 Declarant's Easement to Correct Drainage. Declarant reserves an easement on, over and under the Property for the purpose of maintaining and correcting drainage of surface water. The easement created by this Section expressly includes the right to cut any trees, bushes, or shrubbery, to grade the soil, or to take any other action reasonably necessary to achieve this purpose, following which Declarant shall restore the affected property as closely to its original condition as practicable.

Section 13.6 Utility Connections. Declarant shall have the right to connect utilities from the other parts of the Planned Community in order to furnish utility services to such other parts.

Section 13.7 Encroachments. To the extent that any Unit or Common Property encroaches on any other Unit or Common Property, a valid easement for the encroachment and its maintenance exists.

**ARTICLE XIV:
APPOINTMENT OF BOARD MEMBERS.**

Section 14.1 Appointment of Board Members.

(a) All Owners shall be members of the Association and shall be entitled to one (1) vote per Unit. In addition, the Declarant shall be entitled to one (1) vote for each unsold Unit that it owns and for each Unit that has not been built in the Plan and the Convertible Real Estate.

(b) Declarant has appointed three (3) members to the Board.

(c) No later than sixty (60) days following conveyance of 25% of the Units that may be created by Declarant, at least one (1) director shall be elected by the Unit Owners other than the Declarant.

(d) No later than the earlier of (i) seven years after the date of the recording of the first deed conveying a Unit, or (ii) 180 days after conveyance of 75% of the Units that may be created by Declarant, all members of the Board shall resign, and the Unit Owners (including Declarant to the extent of Units owned by Declarant) shall elect a new, three member Board. Declarant may not unilaterally remove any members of the Board of Directors elected by Unit Owners other than Declarant.

(e) Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board before sale of 75% of the Units. In that event the Declarant may specify that actions of the Association or Board, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

**ARTICLE XV:
AMENDMENT OF DECLARATION.**

Section 15.1 Amendment Generally. This Declaration may be amended only in accordance with the procedures specified the Act and the express provisions of this Declaration.

Section 15.2 Number of Votes Required. Subject to subsection (d) below, the Declaration may be amended by vote of at least 67% of the Association and the consent of the Declarant.

Section 15.3 Limitation of Action to Challenge Amendment. No action to challenge the validity of an amendment adopted by the Association or Declarant may be brought more than one year after the amendment is recorded.

Section 15.4 Recording Amendment. Every amendment to the Declaration shall be recorded in the County records. An amendment is effective only upon recording.

Section 15.5 When Unanimous Consent or Declarant's Joinder Required. Except to the extent expressly permitted or required by other provisions of the Act, no amendment may create or increase Special Declarant's Rights or change the boundaries of any Unit, the Common Property interest, Common Expense Liability or voting strength allocated to a Unit, or the uses to which any Unit is restricted without unanimous consent of the Unit Owners that are affected. In addition, no Declaration provisions pursuant to which any Special Declarant's Rights have been reserved shall be amended without the express written joinder of the Declarant.

Section 15.6 Technical Corrections. Except as otherwise provided herein, if any amendment to the Declaration is necessary in the judgment of the Board or Declarant in the case of any of the following:

- (1) Cure an ambiguity or mistake;
- (2) Correct or supplement any provision of the Declaration, including the plats and plans, that is defective, missing or inconsistent with any other provision of the Declaration; or
- (3) Conform to the requirements of any agency or entity that has established national or regional standards with respect to loans secured by mortgages or deeds of trust or units in Planned Community projects, such as Federal National Mortgage Association and the Federal Home Loan Mortgage corporation;

Then the Board or Declarant may effect an appropriate corrective amendment without the approval of the Unit Owners or the holders of liens on the planned community, upon receipt of an opinion from legal counsel to the effect that the proposed amendment is permitted by the terms of this Subsection.

Section 15.7 Rights of Secured Lenders. Subject to the limitations imposed by the Act, no amendment may be made without the prior written approval of all record holders of first mortgages on units if and to the extent that such approval is required by the Act. Any published requirement of the Federal National Mortgage Association, or its successors (collectively "FNMA") or of the Federal Home Loan Mortgage Corporation, or its successors (collectively "FHLMC") with respect to approval of amendments to the Declaration by holders of mortgages on Units shall be complied with if, at the time such amendment is submitted to the Owners for their approval, one or more mortgages on Units is held by whichever of FNMA or FHLMC imposes such requirement and the Executive Board has been notified in writing that a mortgage is held by the entity imposing such requirement.

**ARTICLE XVI:
MORTGAGES, RIGHTS OF MORTGAGEE:**

Section 16.1 Permitted Mortgages. A Unit Owner other than the Declarant or the Board may not voluntarily encumber his or her Unit to any lien, other than the lien of a Permitted Mortgage. Whether or not they expressly so state, all such Permitted Mortgages and the obligations secured thereby shall be deemed to provide, generally, that the Permitted Mortgage, and the rights and obligations of the parties thereto, shall be subject to the terms and conditions of the Act and this Declaration and shall be deemed to provide specifically, but without limitation, that the Permitted Mortgage shall have no right (a) to participate in the adjustment of losses with insurers or in the decision as to whether or not or how to repair or restore damages to or destruction of the Property, or (b) to accelerate the mortgage debt or to have any other remedies by virtue of waste or alleged waste or other conditions occurring anywhere on the Property other than the affected Unit, and the obligation secured shall be prepayable, without penalty, upon the happening of any termination of the Planned Community or determination not to restore or replace the affected Unit. The Secretary of the Board shall instruct the insurer of the Property to add the name of the Permitted Mortgage to the mortgage loss payable provision of the hazard insurance policy covering the Property and to provide such Permitted Mortgage with a Certificate of Insurance showing that the Permitted Mortgage's name has been so added.

Section 16.2 Rights of Mortgagees. Upon the written request of a Permitted Mortgagee, the mortgagee shall be entitled to receive copies of budgets, notices of assessment, reports, notices of meetings, any notice required by FNMA or FHLMC, or any other notices or statements provided under this Declaration by the Board to the Unit Owner.

The mortgage and guarantor of the mortgage on any unit in the Planned Community has the right to a timely written notice of any condemnation or casualty loss that affects either a material portion of the Planned Community or the unit securing its mortgage.

**ARTICLE XVII:
TERMINATION OF PLANNED COMMUNITY.**

Section 17.1 Requirements. Until December 31, 2080, the Planned Community may be terminated only by agreement of Owners to which 100% of the votes in the Association are allocated. After said date, the percentage of votes required shall be 80%. Any such terminations

must also have the written consent of both the Municipality and the Declarant, so long as Declarant owns any Unit or Convertible Real Estate and is further subject to the rights of mortgage holders as defined herein.

**ARTICLE XVIII:
RULES AND REGULATIONS, FINES.**

Section 18.1 Adoption; Fines. The Board may establish reasonable rules and regulations concerning the Planned Community and the performance of its obligations herein. The Board may adopt other Rules and Regulations as are reasonable for the health, safety, welfare and enjoyment of the residents of the Planned Community. Copies of such rules and regulations and amendments thereto shall be furnished by the Association to all Unit Owners prior to the effective date thereof. Such rules and regulations shall be binding on all Unit Owners, their families, guests, invitees and agents, unless canceled or modified by vote of at least 67% of the Association and the consent of the Declarant. The Board shall have authority to impose reasonable monetary fines and other reasonable sanctions for violations of the Rules and Regulations. Fines shall be payable as provided in the Declaration, By-Laws, or the rules and regulations. So long as the Declarant owns any Units or any part of the Planned community, the Board must obtain the Declarants prior written approval to change, make or promulgate any Rule or Regulation under this Article. The Declarant is not subject to fines or sanctions.

**ARTICLE XIX:
VIOLATIONS.**

Section 19.1 Enforcement. The Association, the Declarant or any Unit Owner shall have the right to enforce by proceedings at law or in equity, the covenants, conditions, restrictions, reservations, liens and charges now or hereafter imposed by the Declaration, By-Laws or Rules and Regulations. **Failure to enforce any provision shall not be deemed a waiver of the right to do so thereafter. The Association may also impose fines or other sanctions, collection of which shall be as provided in the Declaration, By-Laws or Rules and Regulations. The expense of enforcement by the Association (including reasonable attorneys' fees) shall be chargeable to the Unit Owner violating such provision, and shall constitute a lien on the Unit.** Before an individual Unit Owner may act to enforce any provisions of this Declaration, the By-Laws or Rules and Regulations, written notice must be given to the Board and the Association given a reasonable opportunity to take appropriate action.

**ARTICLE XX:
INSURANCE**

Section 20.1 Insurance.

- a. The Association shall maintain all insurance as is required by Section 5312 of the Act.
- b. The Association must maintain a “master” or “blanket” type of insurance

policy, with at least "broad form" extended coverage, with premiums being paid as a Common Expense.

c. To the extent that insurance is available, the policy must insure all of the Common Property for 100% of replacement cost. The policy must insure the personal property owned by the Association.

d. The Association must maintain a comprehensive general liability policy with at least \$1,000,000.00 of combined single limit coverage.

e. The Association, or its management company, if any, must maintain blanket fidelity insurance coverage at least in the amount the funds that it holds or controls.

f. Any proceeds from any insurance payment will be disbursed as required by the Act.

g. Each Unit Owner is required to obtain and maintain their own liability and property insurance.

ARTICLE XXI **OTHER PROVISIONS**

Section 21.1 Severability. Invalidation of any one of the provisions hereof or any part of any provision hereof shall in no way affect the remainder of the provision or any other provision which shall remain in full force and effect. In the event the Act creating planned communities is declared invalid, a common law community services association shall exist.

Section 21.2 Waiver of Use. No Unit Owner may exempt himself from liability for his charges and assessments duly levied by the Association in accordance with the provisions of this Declaration and the By-Laws, nor release the Unit owned by him from the liens and charges hereof, by abandonment of his Unit or by any conveyance or covenant severing the rights and benefits from the Unit. Said charge, lien or assessment shall be, in addition to being an obligation running with the land, a personal obligation of the Unit Owner at the time of the assessment levy and not subject to set-off or counterclaim.

Section 21.3 Person and Gender. As used in this Declaration, the word person or reference to a person shall mean and include a natural person, corporation, partnership, trust or other entity or any combination thereof; the plural shall be substituted for singular and the singular for the plural where appropriate and words of any gender shall mean or include any other gender.

Section 21.4 Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or the Act, by law, and every other right or privilege reasonably to be implied from the existence of any right or privilege or reasonably necessary to effectuate any such right or privilege.

Section 21.5 Release of Declarant. The Association and each Owner for themselves and each of their successors and assigns hereby remise, release, acquit, and forever discharges the Declarant and its subsidiaries, affiliates, officers, directors, employees, agents, heirs, executors, administrators and assigns, and anyone claiming by or through Declarant (collectively, "Declarant Party") from any and all claims and demands whatsoever, in law or in equity, which such party may have against the Declarant whether under this Declaration, the Public Offering Statement, By-Laws, any defects in workmanship to an Owner's unit (excepting for any warranties provided an Owner in the Purchase Agreement or any other such written agreement) or arising out of any other matter relating to a Unit, the Owner, the Association or the Property. Any person violating this provision shall reimburse Declarant its reasonable attorney fees as well as all costs incurred in any proceeding, including, but not limited to, paralegal fees, expert witness fees and costs, consulting and investigative fees and costs, photocopy costs, and long distance and travel costs.

Section 21.6 Limitation of Actions against Declarant. The Association shall not institute any legal proceedings against Declarant, or any principal of Declarant, or any other person or entity related to or affiliated with Declarant (collectively, "Declarant Party"), or spend or commit to spend any Association funds in connection with such legal proceedings, or make a special Assessment for funds to pay for experts, costs, or attorneys' fees in connection with any such legal proceedings, without the individually written consent of 75% of the votes of all of the Owners obtained at a special meeting of the owners called expressly for the purpose of approving such action. Any action against a Declarant Party under this Declaration, Public Offering Statement, By-Laws or otherwise arising out of the purchase of a Unit must be brought in a court of competent jurisdiction within one year from the date of the act giving rise to a legal proceeding.

Section 21.7 Choice of Law, Jurisdiction and Venue. This Declaration, Public Offering Statement, By-Laws and purchase agreement for a Unit shall be solely and exclusively governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania and enforced in Allegheny County Pennsylvania.

Section 21.8 Matters of Dispute. Matters of dispute or disagreement between Unit Owners or with respect to interpretation or application of the provisions of this Declaration or the By-Laws shall be determined by the Board, which determination shall be binding except that this Section shall not apply to Declarant.

Section 21.9 Conflict with Declaration. In the event of a conflict between the Declaration and the By-Laws, the Declaration shall prevail.
