

THE ARBORS
Landscape Services Opt-Out Request

Arbors homeowners are entitled to the following landscape services. These services are included in the Arbors monthly fee:

- Weekly lawn mowing
- Trimming foundation shrubs (the area that falls within 7 feet of the home)
- Lawn fertilizing & weed control
- Grub control
- Clean-up and leaf removal

If you DO NOT wish to have a particular service performed by Arbors vendors, check the box in front of the service and return this form by April 15th to the address below.

If you want all or the services provided by the Arbors, you do not need to return this form.

Homeowners who choose to opt out of selected landscape services become personally responsible for the proper appearance and maintenance of the services assumed by the homeowner. All foundation planting areas remain the responsibility of the homeowner.

If a resident chooses to opt out of any or all of the Arbors services, the choice will remain in effect until the Board is notified otherwise.
