General Alteration Request requirements

Sketch or drawing of proposed alteration with dimensions and location of alteration in relation to the dwelling or lot must be attached - please see page 3.

If a building permit or zoning permit is required by Marshall Township, property owner will obtain them prior to beginning any work on the alteration.

Any damage caused by the construction or installation of the alteration to the subject property, abutting properties and/or common areas, sidewalks or roadways will be immediately repaired by property owner as soon as is practically feasible. Failure to repair any damage caused by this project will result in the Management Company repairing the damage and billing the property owner of this alteration the full cost plus admin and overhead fee of \$250.

Property owner is responsible for obtaining permission from abutting property owners before bringing in equipment and materials across their property. Please provide signatures of property owners and addresses giving permission on Page 3.

Damaged lawn areas will be restored to pre-existing condition as soon as practical with black dirt, seed, and chopped straw or straw matting on slopes. Property owner at the address of the alteration is responsible for watering until the new grass or plantings are established.

Management Company reserves the right to have damaged areas repaired and bill the property owner at the alteration address if in the sole opinion of the management company the repair or restoration is not adequate or timely after notice is given that additional work is required, plus a \$250 admin and OH fee.

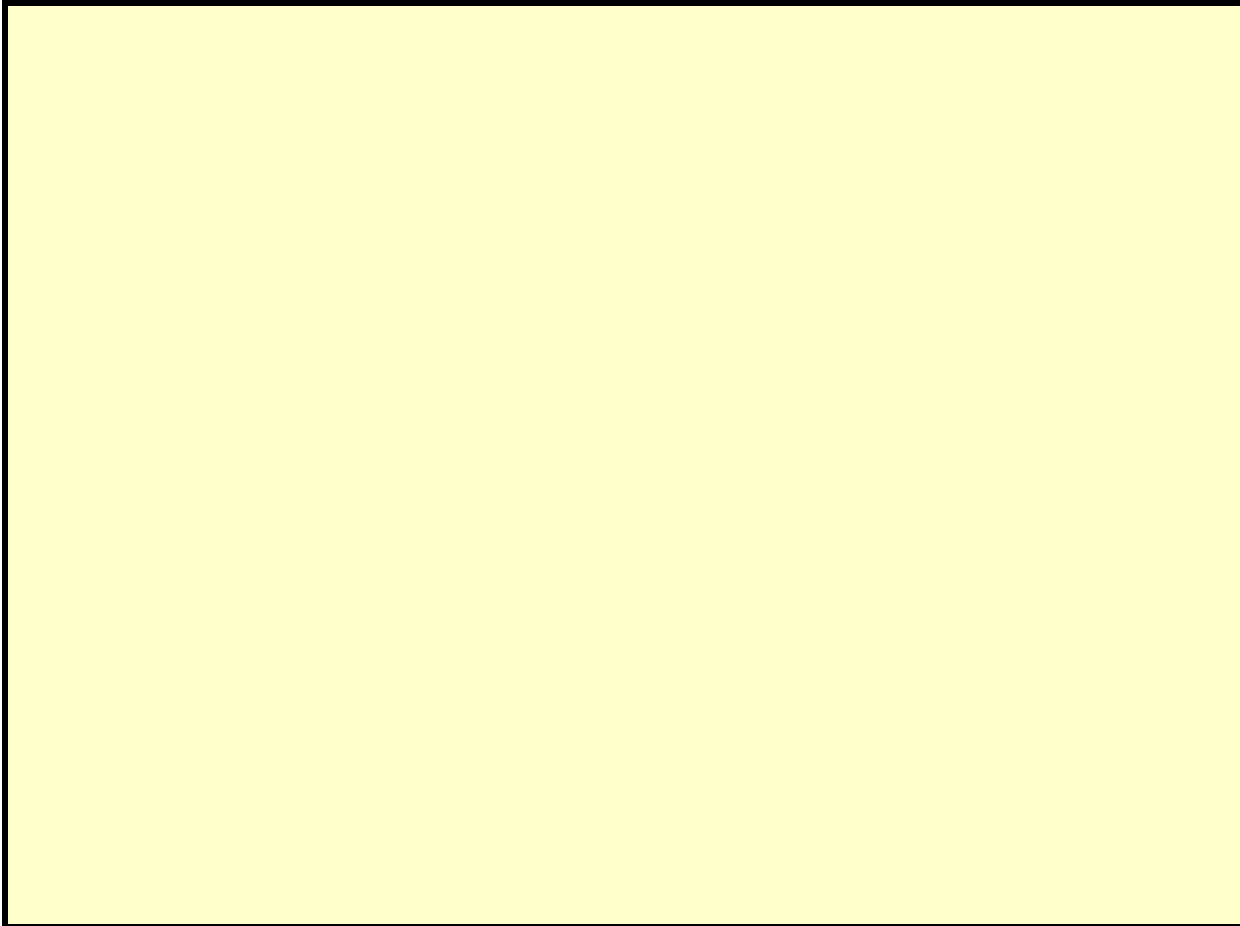

Work will not commence on the alteration or project until property owner receives approval from the management company. If work is started or completed before the property owner receives approval there will be a fee of \$500 assessed to the property owner. Management company reserves the right to require removal of the alteration if in the sole opinion of the management company the alteration does not meet community requirements. Please allow a minimum of 10 business days for approval.
