

Marshall Heights HOA Approved Mailbox post and Mailbox

Mailbox Post

The Whitley is a durable **mailbox post** with a classic, pastoral look. The simple **white** post incorporates a decorative top and is made from rust-proof polycarbonate plastic with an ultra-violet inhibitor to help withstand the elements. The post utilizes a durable mounting support that can hold either 1 or 2 medium-sized or large mailboxes. It easily installs over a 4 x 4 wood post (sold separately).

Highlights

- Constructed with premium plastic materials
- Conveniently installs over an existing 4 x 4 wooden post sold separately
- Supports up to 40 lbs. evenly distributed
- Decorative post complements a variety of mailboxes
- Compatible with most mailboxes- perfectly fits Gibraltar mailboxes with match codes A, B or C
- Assembly required prior to installation
- Mounting and installation hardware included for easy setup
- Supports 2 mailboxes with purchase of an additional mounting board
- Mailbox sold separately
- Model # WPO00WAM / **White**

Mailbox

The Parsons post-mount **Black mailbox** features rust-proof durability, classic good looks and ample storage. Constructed from polypropylene material that will never rust, it is finished with an ultra-violet inhibitor to increase resistance to potential sun damage. It comes fully assembled for quick installation and offers ample room for daily mail deliveries.

- Constructed from rust-proof polypropylene plastic for durability against wear and impact
- Medium capacity accommodates average volume mail deliveries including padded envelopes, magazines, and small-sized packages
- UV inhibitor finish protects against weathering
- Fully assembled with pre-drilled holes on side to reduce installation time
- Match with Gibraltar Mailboxes posts with the designation letter A
- Mounting hardware sold separately
- Model #PL10B020 / **Black**
