

MARSHALL HEIGHTS HOMEOWNERS ASSOCIATION PAINT COLORS

Sherwin-Williams (Cranberry) currently has the correct outdoor paint colors for the homeowners association, as PPG no longer carries the association's original colors.

There is an account number reference on file at Sherwin-Williams, so that a homeowner can go to the Cranberry store and obtain the correct colors. (If a homeowner wants to go to a different Sherwin-Williams store, all they likely need is the account number.) The account is named "Marshall Heights", and the account number is #7241-6894-3.

The colors are:

Gray – Peppercorn SW 7674/236-C7 Doors and Shutters

Black – Tri-Corn SW6258/251-C1 Doors and Shutters

White - Extra White SW7006/257-C1 Garage Doors and all Trim work.

The Lamp Posts and globes are all painted (Black) Tri-Corn.

All paints are Exterior – Semi-Gloss.
